BAPTIST YOUTH EVANGELISM TEAMS

COST €60 / €67 **MINIMUM AGE** 16

God can accomplish so much, even through you giving just one week of your holidays specifically for evangelism.

When you get involved in a BYE team, God will work on your relationship with Him, teaching you new things, challenging you about your values, and giving you a glimpse of His great purpose for the world. You will be motivated to pray and you will be stretched and develop abilities you never imagined you could have.

You will work with and learn from team leaders who themselves experience a mixture of the privilege, responsibility and excitement of serving God in His work.

BYE teams allow young people to engage in various types of outreach. Some hold children's clubs and youth outreach whilst others engage in street evangelism, or literature distribution.

Are you ready to have your faith tested on the streets of the towns and cities of Ireland?

A compulsory training day for team leaders and team members will take place on Saturday 30 June 2012 – so put it in your diary!

As the application process includes a police check the deadline for applications will be strictly 6 weeks before the team. Please get your form in early!!
